- By 5:30 am, or earlier, the Superintendent will notify Communication Officer and Communication Officer will notify the media and post the information on the district website. Early closure will be communicated through media, district website, and school BEACT/power-school.
- Early release will not occur unless parent, or another authorized responsible person has been notified, and has assumed responsibility for the child. Pickup location will be determined by principal after evaluating the situation and will be communicated to parent prior to release. Parents must bring proper ID before the child is released, and sign that they have picked up their child.
