

Beacon Heights Elementary Principal Newsletter

August 3, 2020

News from Mr. Miller

We are excited to welcome you back to Beacon Heights! We know this year is going to start out differently, but we have high hopes of seeing students back in the classrooms and hallways soon. The faculty and staff will be working very hard here at Beacon to provide students the best education possible, whatever the circumstances. Beacon is ready to support you!

If you haven't done so already, please review the 2020-2021 School Restart Plan. It is posted on the Salt Lake City School District Website at slcschools.org. Instruction will be

delivered remotely as we begin the school year. The first day of school for students has been changed to September 8. Teachers will begin their contracts August 18. They will be developing coursework and inviting individual families into the school to orient each student and parent about online instruction this year.

We are hoping to return to school on the hybrid model as soon as conditions allow. If you have not already done so, please register your students on-line using the registration link on our website. We are still planning for kindergarten registration to be held here at the school next week, August 13 and 14. New student registration will be held on-site next Tuesday, August 11. We will be posting class lists on the doors of the school August 18.

If we can be of further assistance, please email our wonderful secretary, Maggie maggie.nickerson@slcschools.org, or me at tim.miller@slcschool.org. See you soon!
